

Delta
PAPER MILL LIMITED

PRODUCT CATALOGUE

Delta Paper Mill Ltd (DPM) started its operations in 2009 with the focus on producing tissue products from Jumbo papers made of virgin or recycled pulp.

Since 2013 Delta Paper Mill has been operating from a 5,700 square meter brand new state-of-the-art factory on the Motorway Industrial Area, Community 12, Tema, Ghana.

By adopting advanced equipment and high-quality raw materials, we meticulously manufacture and process high-grade T-Roll, Napkin, Facial Tissue, Pocket Tissue and Washing Powder for business's and households.

80% of our current workforce are women. We currently have customers in Ghana, Ivory Coast, Liberia, Benin and Togo.
